Gentle Giants called Humpback Whales frequent Maui's waters from December until May. Spend the day learning about the types of Whales and Dolphins that live in Hawaii, and just maybe we will spot them from shore!

Hawaii is home to so many unique animals. Let's spend the day learning and searching for them around our resort and Coastal

FRIDAY ~ *Aloha Friday*

One of the most anticipated days of the week! Aloha Fridays bring a day full of music, and fun! Painting coconuts and making leis are just a few of the things we will do to celebrate Fridays!

SATURDAY ~ *Seashore Saturday*

Maui is a unique place above and below the ocean. We will investigate how coral reefs grow and how they take care of other sea creatures. Join us in making your own fish print (with rubber fish) and experience more adventures to learn about our ocean playground!

SUNDAY ~ *Keiki in the Kitchen*

Food! This is the best day of the week! Decorate your own chef hat, practice your taste testing skills, and make your own pizza! Learn what a solar oven is and bake your own cookies!
